

CBL-HD-DVI-20

Crestron® Certified HDMI® to DVI Interface Cable, 20 ft

Crestron® Certified Interface Cables complete the total Crestron package, ensuring high-performance and end-to-end Crestron quality for every installation. A variety of cables is offered to support all types of analog and digital video and audio signals. A durable yet flexible CL3-rated jacket affords excellent handling with allowance for in-wall installation. Stylish and rugged connectors achieve an ultra-reliable connection with a designer appearance befitting the most high-end system.

The CBL-HD-DVI model is a high-speed Category 2 HDMI® to DVI conversion cable featuring a male HDMI Type A connector at one end and male DVI-D connector at the other. Both connectors are 24k gold-plated for excellent conductivity. A variety of popular lengths up to 30 feet is offered.

Notes:

This product may be purchased from an authorized Crestron dealer. To find a dealer, please contact the Crestron sales representative for your area. A list of sales representatives is available online at www.crestron.com/salesreps or by calling 800-237-2041.
