

# Economic Full Digital Conference System Chairman

## Unit TS-0202

## Economic Full Digital Conference System Delegate

## Unit TS-0202A

### Feature

- \*This Unit microphone adopts 48KHZ sampling rate, which is higher than the CD sound quality, more clear and bright. Built in DSP audio processor and no "poop-poop" low frequency sound.
- \*The delegate unit is with the function of speech timing and timed speech. The chairman unit has the function of speech timing, and speech time is no limit.
- \*Delegate unit is with apply for speech function, The chairman can pass the application on a screen or key "3" or through the PC software.
- \*Built in hi fi speaker, And with volume adjustment. It has function of suppress whistle, when microphone is open, the built-in speaker will be closed automatically.
- \*With two sets of 3.5 mm stereo output sockets, to connect for recording or headset.

- \*In the voice control mode, the chairman unit and the delegate unit can be activated by voice control and can adjust the voice sensitivity. When the delegate unit is turned on, if no speaking for 30 seconds, the microphone will automatically turn off, but the chairman is not limited by it.
- \*With 5 Section EQ adjustment function, different sound effects can be adjusted according to the characteristics of the speaker's voice to achieve perfect effect.
- \*The chairman has the priority function, can turn off all delegate units which are speaking.
- \*With 100M network transmission to realize hand in hand cascading, Sound quality will not be influenced by long distance transmission.
- \*Using the capacitive touch buttons, no mechanical noise, Ensure conference hall good environment.

Model	TS-0202/TS-0202A
Microphone Type	Heart Shaped Directivity Electrets
Frequency Response	80Hz-16KHz
Microphone Input Impedance	≥1KΩ
Sensitivity	-46dBV/Pa
SPL Max SPL	125dB (THD>3%)
Noise-Signal Ratio	>80dB (A)
THD	<0.1%
Power Dissipation	3W
Headphone Load	16-32Ω
Headphone Volume Max	40mW
Headphone Interface	3.5mm
Follow Specification	IEC60914
Connector	With 1.8 meters of aviation core 6
Power Supply Mode	Host power supply
Color	Black
Sign In Function	Sign in by touch keys
Microphone Stem Height	415mm
Installation Mode	Desktop Type
Weight	0.86Kg
Dimension(L×W×H)	144×128×62mm
